

CRT HEAVEN design and manufacture the most advanced CRT recycling systems and supporting equipment.

Our equipment is proven in the UK industry with an excess of 20,000 hours of reliable operation. Our plants have secured all relevant UK industry accreditations and our customers are established as the highest volume and most cost effective CRT processors in the UK each surpassing the industry's recycling targets whilst producing saleable quality end materials.

IF PROFITABLE CRT RECYCLING AND LEGISLATIVE COMPLIANCE ARE ON YOUR AGENDA YOU NEED TO CONTACT CRT HEAVEN LTD.
